	25X1A	indication that the information may have been true, Conclusions as to
	25X1C	the identity of the units in the Reuss Kaserne cannot yet be drawn on the basis of However, it is notable that none
	25X1C	
	25X1C	observed in the deuss Kaserne as late as 2 November 1961. It is believed that the regiment was transferred from the Reuss Kaserne to Eudolstedt or Saalfeld because
		the regiment from Saalfeld on 30 October and 19 November 1951 and because paragraph 3 of the present report lists the departure of a Rudolstadt-bound shipment of rocket launchers from Gera on 21 November.
	25X1Å*	Comment. The 880th Engr Bn and the unidentified signal battalion of
	25X1A	at Cera-Tinz to date. The statement in the present report 25X1 appears unfounded. But there is a possibility that the signal battalion has moved to Rudolstadt.
	25X1Å***	Comment. The information is not specific enough to draw conclusions as to the identity of the units on the three trains.
		gus with AA guns, the large number of guns and the prime movers observed still make it unlikely that the trains should have carried the unidents field AAA
		have been transferred from Zeitz to Probstzella, south of Spalfold, about 15
